

**Press release:**

## **ENGO APPOINTED AS A NEW TORO GOLF IRRIGATION DISTRIBUTOR FOR RUSSIA**

*Moscow, March 5<sup>th</sup>, 2014*

*We are happy to announce, that [The TORO Company](#) has appointed [ENGO Russia](#) as a new distributor for TORO Golf Irrigation for Territory of Russian Federation. Agreement is valid from March 1st, 2014.*

*[The Toro Company is celebrating a rare business milestone – achieving 100 years in business.](#) That provides an opportunity not only to look back on the company’s notable achievements, but also to recognize the ingenuity and dedication of its employees – and to thank its channel partners and end-user customers around the world.*

*From the start, Toro built its legacy by understanding the needs of its customers and developing innovative products and services to help them succeed. Commitment to customer service has been instrumental in development of long-term relationships with golf courses, sport fields, public green spaces, commercial and residential properties and agricultural fields. The same values that have been core throughout 100 years company history will form the foundation for TORO & ENGO co-operation through Russian golf industry.*

*[ENGO Group](#) was established in 1993 and provides wide range of services for golf, sport & landscape industries. Our clients include premier golf courses in Russia and sport venues in Central and East Europe. We have been a proud partner of TORO Company since 2005 and we believe that the TORO Golf Irrigation distribution contract for Russia is another important milestone in our successful development.*
